v.

Michael F. Roizen ; Mehmet C. Oz,
DefendantsComplaint

42 USC 1983. I'm seeking \$12.7 million. My floor in FCI Williamsburg is cold and dirty. My socks have holes, I get 1 pair a week. I got no broom, who ever was in this cell before me was shedding hair, I got hair balls around me. And I hear screaming at night, I'm imploding. My blood pressure is high. This is mistreatment, my civil rights are violated.
